

A wide-angle photograph of a vast wheat field at sunset. The sun is low on the horizon, creating a warm, golden glow that illuminates the entire scene. The wheat stalks in the foreground are in sharp focus, showing their intricate details and textures. In the background, the field stretches to the horizon, with some trees and structures visible in the distance. The overall mood is peaceful and serene.

NATURAL AMENITIES WITH PURPOSE

Elote is an innovative amenities brand committed to environmental care and personal well-being.

Inspired by nature, our amenities are made from natural materials such as corn starch and cellulose, offering a sustainable, biodegradable, and eco-friendly alternative.

By using these renewable resources, Elote significantly reduces environmental impact at every stage of the production process. Our manufacturing is energy-efficient, promoting responsible practices that lower the carbon footprint and support a cleaner future.

Every Elote product delivers both quality and comfort while reflecting our commitment to conscious cosmetics in harmony with the Earth.

Choosing Elote means embracing a more sustainable lifestyle—without compromising on design, functionality, or sensory experience.

PRODUCTS

Conscious and with an unexpected twist, Elote has been designed for hotels that demonstrate a strong commitment to environmental care, recycling, and the reuse of resources.

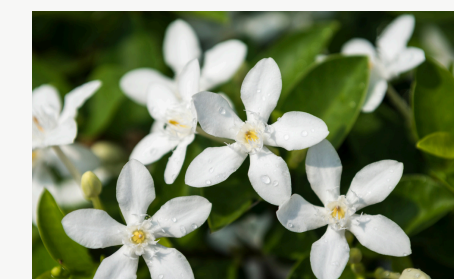

Its contemporary, laid-back design seeks to raise awareness while pleasantly surprising guests at the same time.

With a distinctive green tea fragrance and free from colorants, the line is presented in 300 ml dispenser bottles made from 100% recycled PET.

The product range includes a 2-in-1 shampoo and shower gel, conditioner, body lotion, and hand soap.

DISCOVER THE FRAGRANCE OF ELOTE

Its fragrance blends fresh citrus notes derived from lemons and bitter orange peel oil with a subtle floral hint, creating a balanced, clean, and revitalizing sensory experience.

AMENITIES

Both the packaging and the inner accessories (razor, toothbrush, shower cap, and comb) are made from natural materials such as corn starch and cellulose, resulting in low energy consumption and minimal environmental impact.

The additional complementary items that complete the Elote collection include: vanity kit, sewing kit, sisal sponge, shoe shine, and tissues.
