

L' ESSENTIEL

LANDE

A SIMPLE SOLUTION THAT WORKS

L' ESSENTIEL

L'Essentiel is a line of amenities created to deliver exactly what's needed: an effective personal care experience, with reliable, affordable products and a neutral design. The focus is on functionality without compromising on presentation.

No empty promises or overstatements. This is a collection that works, easily adapting to any hotel style and proving to be a practical, cost-effective choice for our clients.

THE COLLECTION

Discreet design, universal use

The packaging in this line features a clean, minimalist design with clear labels and a format that fits effortlessly in all kinds of rooms, from city hotels to rural or boutique properties.

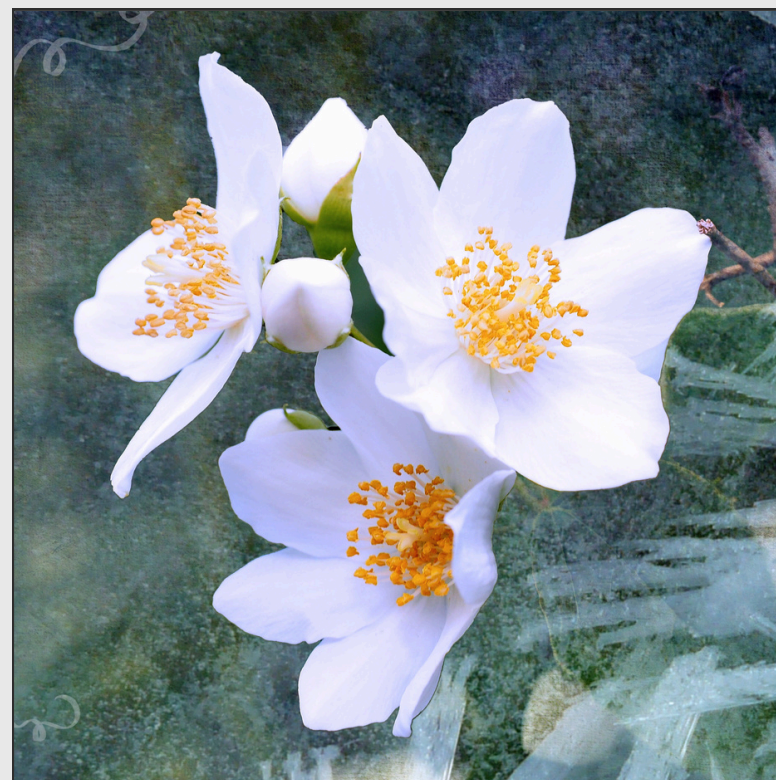

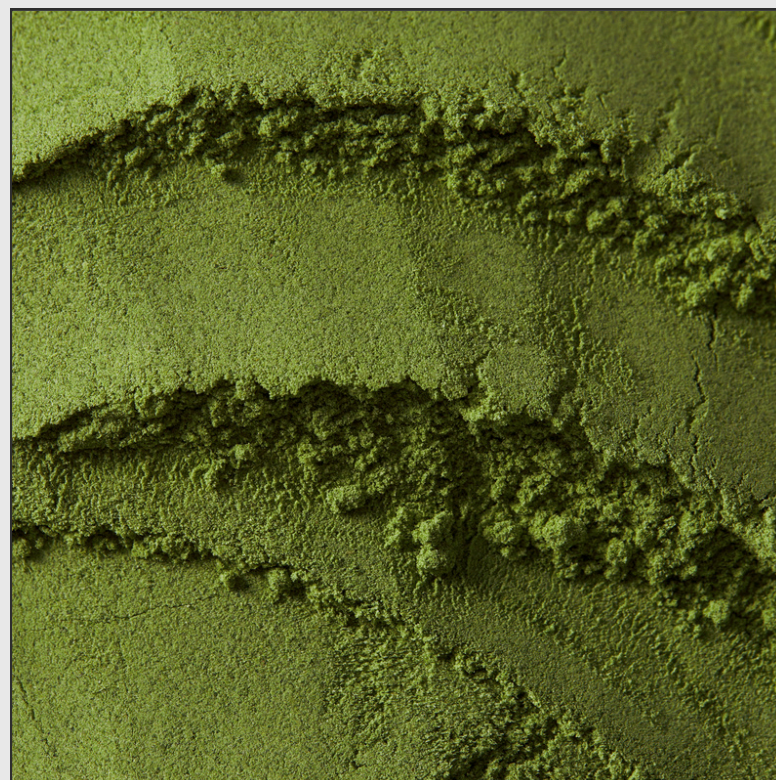

Each formula is developed to offer a soft, comfortable, and functional experience, suitable for all skin types.

SCENTS

Fresh and versatile fragrances

The fragrance profile of this collection is balanced, subtle, and pleasant, with clean, fresh, and unisex notes designed to complement without overpowering.

Free from parabens and artificial colorants, these scents enhance the guest experience with a sense of cleanliness and well-being, without interfering with other ambient aromas.

A timeless option, suitable for any season.

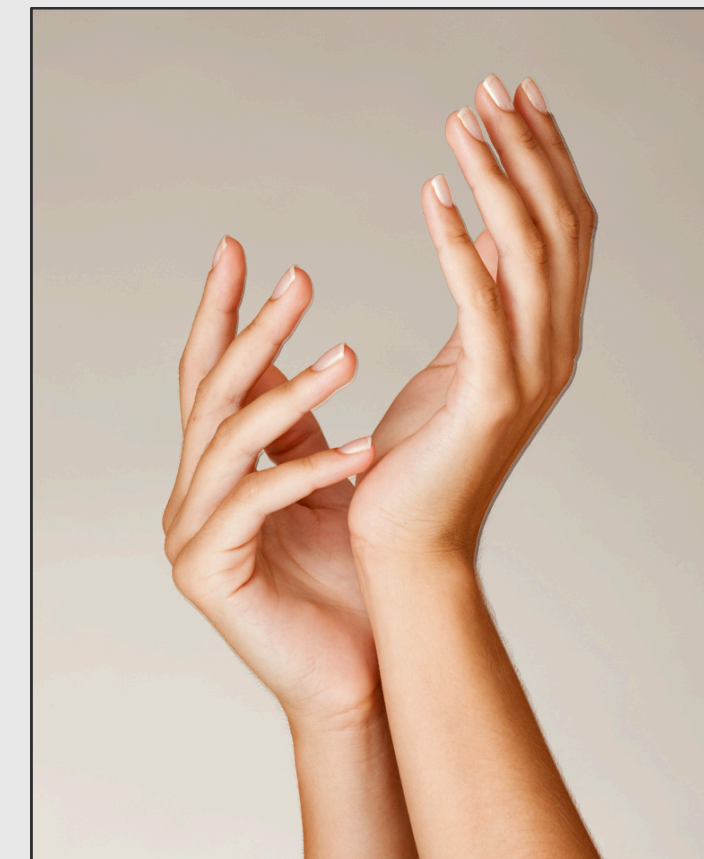

COMPLEMENTS

The essentials, presented with care

All products are packaged in paper sachets with a clean, understated design that aligns with the overall look of the line.

Practical and sustainable, they are designed to cover the basics while maintaining a neutral aesthetic that works across different hotel settings.
